A Parent’s Guide to the Enneagram
In This Guide . . .

- Who exactly are you?
- What is the Enneagram?
- Where did it come from?
- Why should I trust it?
- Is it really that accurate? What are its limitations?
- How does one determine which type they are?
- How does it work?
- What do the lines mean?
- Why is it divided into thirds?
- Hold on, what’s the “false self”?
- So what does the typology consist of?
- What is Type 1 like?
- What’s Type 2 like?
And Type 3?

What about Type 4?

And Type 5?

What should I know about Type 6?

How about Type 7?

What should I know about Type 8?

And finally, what about Type 9?

Anything else to know?

How can it help me parent my kids? How can it be used inappropriately?
